

Williams Fellowship Program

Are you a recent University of Iowa graduate who is interested in a career in development/fundraising? The University of Iowa Foundation (UIF), a separate IRC Sec. 501(c)(3) organization that raises private gift support for The University of Iowa (UI), has established the Williams Fellowship Program to enhance and educate a UI graduate interested in fundraising and the impact of philanthropy at the University, as well as how private support has affected their experience as students, and what roles it plays in the world.

Qualifications: A recent University of Iowa graduate, including upcoming May 2010 graduates.

This fellowship will be a paid position for one year, with the hope that it will encourage the recipients to pursue further opportunities in fundraising and help them become more engaged citizens, future donors and volunteers, especially for The University of Iowa.

The UIF offers a competitive salary, exceptional benefits, and a first-rate work environment.
